MARIE CURIE HELPER SERVICE

There may be people in the congregation who are living with a terminal illness and who may benefit from some companionship & emotional support. Likewise, there may be those who are caring for someone living with a terminal illness; our Helper service can support them too. We take referrals from any health or social care professional or we can take referrals directly from the family. The person being referred must be over 18, living in the Liverpool area & have a terminal diagnosis with a prognosis of around 12 months. Our service is free of charge and is available in Liverpool. To refer to our service is a simple telephone call to our free phone number: 0800 304 7402.

SEND A COW

We work hand in hand with families in Africa. We understand that poverty is more than just the day to day struggle of toiling on land that fails to produce. Many people believe that poverty has become part of their personality, and hold out little hope for change. We provide livestock and training in natural organic farming practices alongside courses in gender equality, conflict resolution and more.

WANT TO BE A PART OF SOMETHING AMAZING?

Encontro com Deus is a social project based in Curitiba, Brazil, working to rebuild families and educate mothers and children.

In February 2017, 20 people aged 17-80 visited ECD for 9 days to see the amazing work the charity does daily and do great activities: arts & crafts, sport, First Aid training and loads more! They even spent a few days in Rio de Janeiro & Foz do Iguazu's waterfalls.

In February 2019 (half term + 1 week), there'll be another chance to share in this amazing experience: an almost identical two weeks in Brazil including 9 days with Encontro com Deus.

Want to get involved?

Contact Sue Craig

(susancraig14@virginmedia.com)

To go on this trip of a lifetime, you will need to raise approx. £1300 per person to cover individual costs, plus a suggested £1000 to help Encontro Com Deus in Brazil.
